## **AIKIKAI D'ITALIA**

**Dear Aikido friends,**

It is with a profound sense of loss that the Aikido Federation of South Africa received the sad news of the passing of Fujimoto Yoji Shihan on 20/02/2012.

Kindly convey our sincerest condolences to the family of Fujimoto Shihan and to his friends, colleagues and many, many students within the Aikikai family.

The Aikikai has lost a devoted servant of Aikido who has spent his life carrying the art of Aikido to the peoples of the world. May we continue to follow in his footsteps.

May Aikido blossom worldwide!

Yours in Aikido,

**CORNELIUS J. HUMAN**
